Wild Geese Theatre Company Presents

SIR GAWWAIN OF THE ROUND TABLE

It's all mirth and merriment until someone loses a head...

A raucous family reimagining of the epic Arthurian legend.

Sir Gawain needs to level up. Mocked at the round table for being the worst knight in King Arthur's court, Sir Gawain accepts an invitation to play a deadly game with a mysterious visitor... The Green Knight

Join Sir Gawain on her treacherous - and hilariously eccentric - journey. Face down wolves, giants, and jelly terrors. Battle dangerous foes. Face the Final Boss. Best The Green Knight!

Expect colourful characters, surprisingly decent sword fighting, and a lot of laughs for everyone. So, join us on a quest to discover what it truly means to be a knightly knight!

Founded in 2019, Wild Geese Theatre Co. are an award-winning children's theatre company. All our work is interactive, giving children the chance to become part of the story and feel a part of the arts.

The Audience Experience

The Wild Geese Team have over 15 years of experience creating active and immersive theatre for children. With accessibility and inclusivity at the heart of everything we do, this epic tale incorporates interactive storytelling techniques that bring children into the world of the play. We put our audience at the centre of the action. We rely on audience contributions that range from playing key characters, to learning chants and actions. We want to ensure access to all children, regardless of ability, background or education. Inclusivity is at the core of what we do. To facilitate this, all of our performances are relaxed.
