

**WILD GEESE**  
westacre theatre

Dear

31st January 2022

I hope you are happy and well. Thank you for taking the time to read this letter.

My name is Andrew, and I'm the Creative Director of Wild Geese Theatre Company. Since our inception in 2019, we have been making theatre for and with young people across the country. I'm writing to invite your students to attend our most exciting project to date.

In partnership with **The Westacre Theatre**, we're bringing our award-winning show, '*BOUDICA*', home to Norfolk and especially for Primary School groups.

Our mission is, first and foremost, to get children attending (and enjoying!) the theatre again. To achieve this, we have made a show that is both **great fun and extremely valuable** to primary students studying **The Romans & Ancient Britain**. Together with The Westacre Theatre, we're offering children a chance to **take their learning outdoors, take part in a communal act of creation**, and **experience live culture** once again! We want to do what we can for young people, and this show, reimagined specifically for primary schools, is our way of doing our part.

So, on behalf of ourselves and The Westacre Theatre, we hope you will join us at our covered, outdoor amphitheatre between **13th-17th of June**. Further information can be found in the brochure included.

We have **10 shows available** across the week, and we are taking bookings immediately. If you are interested and wish to get in touch, please feel free to do so. We will also be sending a follow-up email to the school office on **Monday 7th of February**, with more info and some useful web links.

We hope you are as excited as we are & do get in touch soon!

Thank you for your time,

# Pricing

With each venue we visit, our pricing structure changes based on related costs, booking sizes, and capacity. Here is our price guide for Westacre:

Size of Booking	Cost per Ticket	Cost per Workbook
90 - 120 seats	£3	£1.25
60 - 90 seats	£3.50	£1.50
30 - 60 seats	£4	£1.75
30 seats or less	£4.50	£2

We try our absolute hardest to make tickets as affordable as we possibly can. Where we're able, we are open to discussing subsidised options for specific schools.

Thank you for your time,
